A romantic story

Chapter 1 by Wask

There was a boy and a girl that they liked each other since 2° but, the boy was afraid to tell her that he loved her and the girl was afraid too.

Until the second semester of preparatory the girl said "I love you." and the boy said "Me too." And the boy kissed the girl.

It was that kiss the boy remembered now as he sat with her in the hospital room, holding her hand and brushing back her long, brown hair. The doctors were all amazed she had survived. After all, it was rare that a third arm spontaneously bursts from one's body and begins to slap one into a silly-coma.

But this is what had happened, strangely, one day in the middle of a Physics lecture, and the girl had been rushed to the hospital. Now the boy sat with her in the early night, wondering if she would recover.

From across the room came a coughing, and then the pulling of a curtain. A man lay in the opposite bed, watching them.

"Hello there," he said. "I'm Jimmy Sue. I couldn't help but hear your muffled sobs."
